BIOMEDICAL ENGINEERING CONFERENCE

BME2008

Biomaterial Engineering Conference BME2008 is designed to promote the professionalism and enhance the competence of local engineers in facilitating the design and manufacturing of high value-added medical and healthcare devices. BME2008 will be held during 23-25 October, 2008 in Hong Kong.

Young Engineers' Paper Competition

for young engineers and researchers in Biomedical Engineering field

Young Engineers' Paper Competition will be held concurrently during the BME2008 to keep young biomedical engineers abreast of the latest biomedical development and uphold their professionalism on biomedical research and development.

Awards for the Best Young Engineer's Paper Competition will be presented to merited participants to recognize the outstanding achievement in the Prize Presentation Ceremony for Young Engineers' Paper Competition on 25 October 2008.

Paper Format

Full paper in two to four pages
Please download the paper format at the Conference Website: www.hkpc.org/bme2008.

Deadline of Submission

19 September 2008

Prize Presentation Ceremony

25 October 2008
