

## **Inno Space Pilot Programme for Universities and Tertiary Educational Institutions**

STEM education and facilities for tomorrow's entrepreneurs!

Commissioned by the Government of the HKSAR, the Hong Kong Productivity Council (HKPC) established Inno Space on 27 October 2017 with the aim to support local startups and young inventors by translating their innovative ideas into industrial designs, prototypes and products.

Located on the 1/F and LG1 of the HKPC Building, Inno Space occupies an approximate 8,000 sq.ft. and is comprised of three areas: Inno Network, Inno Idea and Inno Prototype. Inno Space offers a variety of facilities and services to its members, including but not limited to prototyping equipment, event space, workshops and seminars.

To promote STEM education and entrepreneurship to educators and students, Inno Space would like to invite your department to join its Pilot Programme for Universities and Tertiary Educational Institutions. Sign up now to enjoy this special offer!

### **Promotional Details:**

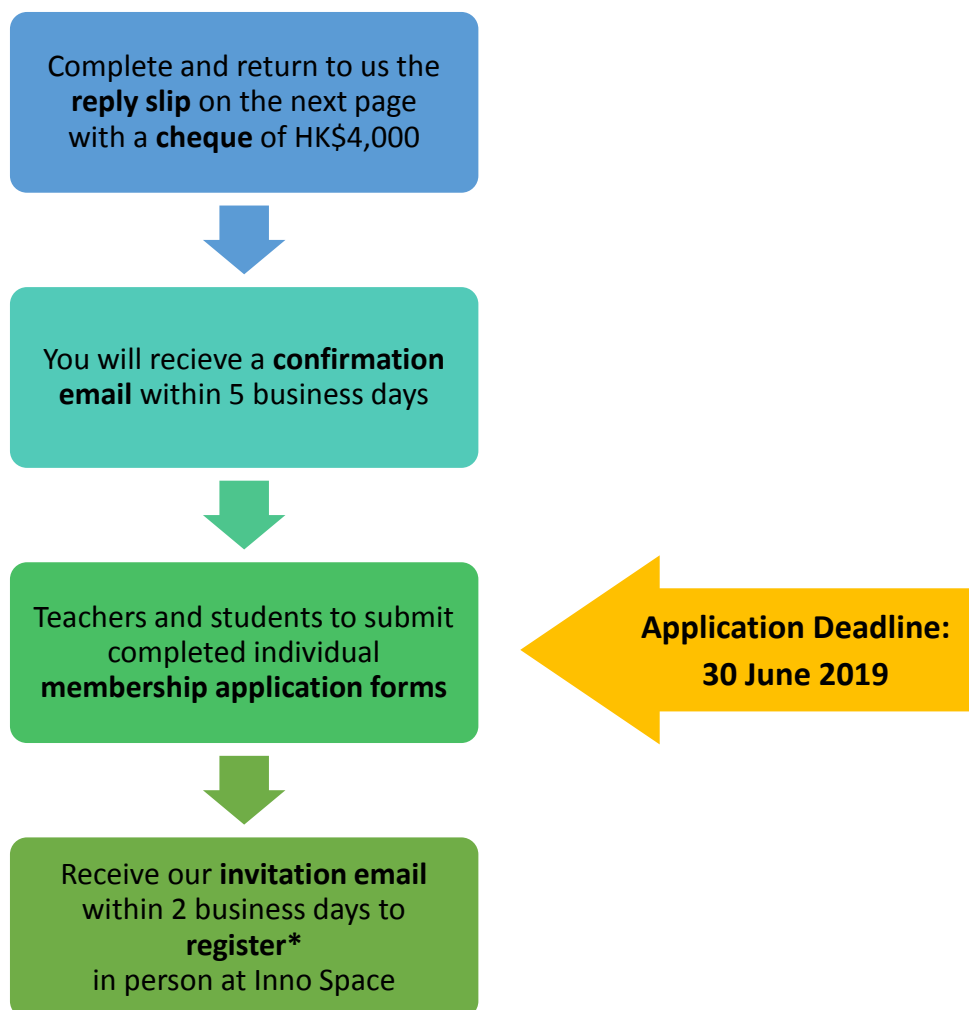

- For only **HK\$4,000**, your department (of your university or tertiary educational institution) can enjoy a 6-month department-wide package that allows you to:
  - enroll your students (age 16 and above) and teachers as members of Inno Space without additional membership fees\*,
  - enjoy 50% off Inno Prototype machine training workshops (i.e. HK\$150 per 2-hour training workshop instead of HK\$300).
- Each department can enjoy this promotional package ONCE.
- The package lasts for 6 calendar months, with the start date being the time of approval for the department's application.
- This offer is valid up to 30 June 2019.

\*A refundable deposit of HK\$100 is required for smart card for each teacher/student.

### **Privileges of this 6-month package:**

- Access to Inno Space — Limited to 30 hours of use per week, not including events and seminars. Hours cannot be accumulated or rolled over to the following week.
- A free induction session to Inno Prototype with safety training
- Ability to book rooms and equipment — Rooms and equipment can be booked at 30-minute intervals, with a maximum of 4 hours per week, per session and per room/equipment, with the exception of 3D printing machines
- Exclusive members-only events
- Pilot Programme member pricing for our paid events

## Application Process:

\*Once teachers'/students' applications are successful, they will be invited to our premises for the registration of their fingerprints and membership cards, which they will then use to prove their membership at Inno Space and access our premises and facilities. A refundable deposit of HK\$100 is required for membership card for each teacher/student.

## Payment Method:

- Crossed cheque
  - The crossed cheque should be payable to "Hong Kong Productivity Council".
  - Please write the names of your department and university / institution on the back of the cheque.
