

Watch & Clock

Across 3 Steps of Industry Chain

LIMITED TIME OFFER

Design Verification and Simulation

- **Computer Aided Engineering (CAE)**
 - Mold Flow Simulation
 - Metal Part Forming and Die Design Optimisation
 - Heat and Fluid Simulation
 - Mechanical Analysis
 - Dynamic Structural Analysis
 - Structural, Dynamic and Motion
 - Robotic Simulation
 - Customised Machine Simulation
 - Production Line Simulation
 - Product Structure Optimisation

- **Products, Machinery and Tools Failure Analysis by Simulation**

Leverage the exclusive chance to enjoy HKPC's services.

Promotion period starts from now until 31 December 2019.
Terms and conditions apply.

3D Prototyping and Small Batch Manufacturing

- **3D Printing, 3D Scanning, 3D Modelling**
- **Powder Injection Moulding (Metal & Ceramic)**

Product Testing

- **Products, Machinery and Tools Failure Analysis**
