

【SME What's Up】 Event Highlight of ASEAN Live - Malaysia

Malaysia, a manufacturing hub in Asia as well as a significant trading partner of ASEAN countries, plays an important role in global supply chain market.

The “InnoPreneur ASEAN Live – Malaysia” webinar was held on 18th October, 2021, with over 70 SME and Startup representatives watching online, which recorded a great success in our “ASEAN journey” ! Our deepest appreciation goes to the Consulate General of Malaysia in Hong Kong, Malaysian Investment Development Authority (MIDA) Guangzhou, HKTDC, Sidec, and Malaysian Chamber of Commerce (HK and Macau), for their forward-looking vision on how to expand the business and stay competitive with the adoption of SMART technology.
