

8 March 2021

Ir Angel Wong
LG1/F, HKPC Building
78 Tat Chee Avenue
Kowloon, Hong Kong

Dear Angel,

**Designation of Conformity Assessment Body
For Recognition by
the Federal Communications Commission (“the FCC”)**

With reference to your designation application dated 22 February 2021, I am pleased to inform you that the Electromagnetic Compatibility Centre of Hong Kong Productivity Council is now recognised by the FCC of the United States as a Conformity Assessment Body pursuant to APEC TEL MRA Phase I Procedures. The notification of recognition by the FCC is appended to this letter.

Please note that the above recognition is subject to your ongoing maintenance of the ISO/IEC 17025 accreditation. Should there be any changes in business contact or accreditation that might affect OFCA’s designation, you are reminded to inform OFCA in writing in the first instance.

Yours sincerely,

(Jack Yip)
for Director-General
of Communications

FCC recognition of accreditation for Hong Kong Productivity Council EMC Centre

FEDERAL COMMUNICATIONS COMMISSION
Laboratory Divison
7435 Oakland Mills Rd
Columbia, MD 21046

To: Jack Yip
Office of the Communications Authority (OFCA)
jackyip@ofca.gov.hk
From: Jihad Hermes
Jihad.Hermes@fcc.gov
Date: March 5, 2021

Test Firm Name: Hong Kong Productivity Council EMC Centre
Designation Number: HK0012
Test Firm Registration Number: 541420

We have been notified by Office of the Communications Authority (OFCA) that Hong Kong Productivity Council EMC Centre has been accredited as a testing laboratory.

At this time Hong Kong Productivity Council EMC Centre is here by recognized to perform compliance testing on equipment subject to the Commission's Declaration of Conformity (DOC) and Certification rules for the following scope(s):

Unintentional Radiators - FCC Part15, Subpart B
Intentional Radiators - FCC Part 15 Subpart C

This recognition will expire upon expiration of the accreditation or notification of withdrawal of Commission's recognition.

Any questions concerning this email should be submitted as an inquiry to the FCC Knowledge Database at www.fcc.gov/kdb.
